STEP 4: Once you have selected "DOWNLOAD MEDALLION," the "USE OF MEDALLION AWARD" download dialog box will appear on the screen. Review the guidelines. Once completed, select the "I Agree to the Terms of Use of the HIRE Vets Medallion Award" box.

STEP 5: Select the "Select File Format" dropdown menu box. This will bring up the six different image types of the medallion available for download. You can select an individual medallion graphic, or you may select the last option and download all six at one time. Once selected, click the blue "Download" button.

STEP 6: A zip file of the medallion graphic/s you selected will be downloaded to your computer and show up in the lower left coroner of your browser window. It will also be located in your downloads folder on your computer.

STEP 7: Close the "USE OF MEDALLION AWARD" dialog box by clicking on the X in the upper right corner of the dialog box. Navigate to the downloaded zip folder on the lower left corner of your screen (see step 6), right click the drop down arrow on the left of the file, and select "OPEN."

Once you have selected "OPEN," a dialog box will appear asking if you want to open the file. Select "open"

STEP 8: Select the location where to "unzip" the files. In this example, the files have been unzipped to the downloads folder local to the computer.
