Instructions

The following instructions are designed to assist in properly applying for the HIRE Vets Medallion Award. Before an application is submitted, please ensure that:

- All information as submitted on the application form is correct.
- Every required element of the application form has been filled out.
- You have read and complied with these instructions.

For questions on completing this form, please contact hirevets@dol.gov. Please note that the regulations governing the HIRE Vets Medallion Program can be found at 20 CFR part 1011.

Definitions

The following are key definitions that apply for the purpose of the HIRE Vets Medallion Program. Please use these definitions when filling out the application for the Medium Employer Gold Award.

Employee means any individual for whom the employer furnishes an IRS Form W-2, excluding temporary workers.

Employer means any person, institution, organization, or other entity that pays salary or wages for work performed or that has control over employee opportunities, except for the Federal Government or any State or foreign government. For the purposes of this regulation, VETS will recognize employers based on the Employer Identification Number, as described in 26 CFR 301.7701-12, used to furnish an IRS Form W-2 to an employee. However, in the case of an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705, the employer shall be the common law employer, client, or customer, respectively, instead of the entity that furnishes the IRS Form W-2. Consequently, in the case where an employer uses an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705, the common law employer is the proper applicant for the award regardless of what EIN is on employees' IRS Forms W-2.

Temporary worker means any worker hired with the intention that the worker be retained for less than one year and who is actually retained for less than one year.

Veteran has the meaning given such term under 38 U.S.C. 101. VETS recognizes that most employers determine which employees are veterans according to the employee's self-identification. VETS does not expect employer-applicants to change these practices in order to guarantee that every employee who self-identifies as a veteran meets the definition of veteran at 38 U.S.C. 101.

Items

This section provides additional information on certain items on the application.

SECTION A: EMPLOYER INFORMATION

Item 1 – Explanation contained on form.

Item 2 – The employer must enter its EIN unless the employer uses an agent designated pursuant to 26 CFR 31.3504-1, a payor designated pursuant to 26 CFR 31.3504-2, or a Certified Professional Employer Organization recognized pursuant to 26 U.S.C. 7705 to furnish the IRS Forms W-2 to its employees. If you are an employer that falls under one of these exceptions, you may leave this field blank. Otherwise, an EIN is required.

Items 3-11 – Explanation contained on form.

SECTION B: VETERAN EMPLOYEE CRITERIA

Items 12-20 – Explanation contained on form.

SECTION C: INTEGRATION ASSISTANCE CRITERIA

In order to qualify for the Medium Employer Gold Award, an applicant must satisfy only ONE of the following two criteria (Item 21 or 22). Only fill out either Item 21 or 22.

Item 21 – To satisfy this criterion, the employer-established organization/resource group must:

- assist new veteran employees with integration, including coaching and mentoring;
- be a distinct organization or group (although admirable, an employer would not satisfy this criterion if the employer provided coaching and mentoring to veteran employees but did so without having established an organization or group);
- still be in existence as of December 31 of 2024 (the year prior to the calendar year in which the employer applies for the award).

Item 22 – To satisfy this criterion, the employer's leadership program must:

- enhance the leadership skills of veteran employees during their employment;
- still be in existence as of December 31 of 2024 (the year prior to the calendar year in which the employer applies for the award).

A leadership program does not need to be exclusively for veterans so long as veteran employees may participate in the leadership program.

Item 23 – Explanation contained on form.

SECTION D: LABOR LAW VIOLATIONS

Item 24 – Employers cannot receive a HIRE Vets Medallion Award if they have any of the labor law violations identified in 20 CFR § 1011.120. The applicable language at 20 CFR § 1011.120 reads as follows:

(a) Any employer with an adverse labor law decision, stipulated agreement, contract debarment, or contract termination, as defined in paragraphs (b) through (e) of this section, pursuant to either of the following labor laws, as amended, will not be eligible to receive an award:

1. Uniformed Services Employment and Reemployment Rights Act (USERRA);
2. Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA);

(b) For purposes of this application, an adverse labor law decision means any of the following, issued in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award, in which a violation of any of the laws in paragraph (a) of this section is found:

1. a civil or criminal judgment;
2. a final administrative merits determination of an administrative adjudicative board or commission; or
3. a decision of an administrative law judge or other administrative judge that is not appealed and that becomes the final agency action.

(c) For purposes of this application, a stipulated agreement means any agreement (including a settlement agreement, conciliation agreement, consent decree, or other similar document) to which the employer is a party, entered into in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award, that contains an admission that the employer violated either of the laws cited in paragraph (a) of this section.

(d) For purposes of this application, a contract debarment means any order or voluntary agreement, pursuant to the laws listed in paragraph (a) of this section, that debars the employer from receiving any future Federal contract. Employers shall be ineligible for an award for the duration of time that the contract debarment is in effect.

(e) For purposes of this application, a contract termination means any order or voluntary agreement, pursuant to the laws listed in paragraph (a) of this section, that terminates an existing Federal contract prior to its completion. Employers shall be ineligible for the award if this termination occurred in the calendar year prior to year in which applications are solicited or the calendar year in which applications are solicited up until the issuance of the award.

To receive a HIRE Vets Medallion Award, the employer must not have any violations identified in the above regulatory text during the time periods identified in the regulation.

Additionally, per 20 CFR § 1011.120(f), if VETS has credible information that a significant violation of one of the laws cited in paragraph (a) of § 1011.120 may have occurred that could lead to an employer being disqualified pursuant to any of paragraphs (b) through (e) of § 1011.120, VETS may delay issuing an award.

SECTION E: ATTESTATION INFORMATION

Items 25-30 – Explanation contained on form.
